INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON
COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Honorable Select Board
Town of Bellingham, Massachusetts

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Town of Bellingham, Massachusetts, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise Town of Bellingham, Massachusetts's basic financial statements, and have issued our report thereon dated May 23, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Town of Bellingham, Massachusetts's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Town of Bellingham, Massachusetts's internal control. Accordingly, we do not express an opinion on the effectiveness of Town of Bellingham, Massachusetts's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Town of Bellingham, Massachusetts's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Respectfully,

A handwritten signature in blue ink, appearing to read "Robert E. Brown".

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM;
REPORT ON INTERNAL CONTROL OVER COMPLIANCE; AND REPORT ON SCHEDULE OF
EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

To the Honorable Select Board
Town of Bellingham, Massachusetts

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Town of Bellingham, Massachusetts's compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Town of Bellingham, Massachusetts's major federal programs for the year ended June 30, 2022. The Town of Bellingham, Massachusetts's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Town of Bellingham, Massachusetts complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Town of Bellingham, Massachusetts and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Town of Bellingham Massachusetts's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Town of Bellingham, Massachusetts's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Town of Bellingham, Massachusetts's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Town of Bellingham, Massachusetts's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the Town of Bellingham, Massachusetts's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Town of Bellingham, Massachusetts's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of the Town of Bellingham, Massachusetts's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Other Matters

The results of our auditing procedures disclosed instances of noncompliance which are required to be reported in accordance with the Uniform Guidance and which are described in the accompanying schedule of findings and questioned costs as items 2022-001, 2022-002, 2022-003, & 2022-004. Our opinion on each major federal program is not modified with respect to these matters.

Government Auditing Standards requires the auditor to perform limited procedures on the Town of Bellingham, Massachusetts's response to the noncompliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. The Town of Bellingham, Massachusetts's responses were not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

Report on Internal Control over Compliance

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance and therefore, material weaknesses or significant deficiencies may exist that were not identified. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, as discussed below, we did identify certain deficiencies in internal control over compliance that we consider to be significant deficiencies.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance. We consider the deficiency in internal control over compliance described in the accompanying schedule of findings and questioned costs as item 2022-002, to be a material weakness. Additionally, we consider the deficiencies in internal control over compliance described in the accompanying schedule of findings and questioned costs as items 2022-01, and 2022-003, to be significant deficiencies.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

Government Auditing Standards requires the auditor to perform limited procedures on the Town of Bellingham, Massachusetts's response to the internal control over compliance findings identified in our compliance audit described in the accompanying schedule of findings and questioned costs. The Town of Bellingham, Massachusetts's responses were not subjected to the other auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Town of Bellingham, Massachusetts, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise the Town of Bellingham, Massachusetts's basic financial statements. We issued our report thereon dated May 23, 2023, which contained unmodified opinions on those financial statements. Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

Respectfully,

A handwritten signature in blue ink, appearing to read "Robert E. Brown".

SEE ACCOMPANYING NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

**TOWN OF BELLINGHAM, MASSACHUSETTS
NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS
YEAR ENDED JUNE 30, 2022**

I. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the Town of Bellingham, Massachusetts under programs of the federal government for the year ended June 30, 2022. The information in this Schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Town of Bellingham, Massachusetts, it is not intended to and does not present the financial position, changes in net position, or cash flows of the Town of Bellingham, Massachusetts.

II. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accompanying Schedule of Expenditures of Federal Awards is presented on the modified accrual basis of accounting. Accordingly expenditures are recognized when the liability is incurred. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

III. IN DIRECT COST RATE

The Town of Bellingham, Massachusetts has elected not to use the 10-percent de minimis indirect cost rate as allowed under Uniform Guidance.

IV. SCHOOL LUNCH PROGRAM

The School accounts for local, state and federal expenditures of the National School Lunch and School Breakfast programs in one combined fund. Program expenditures in the accompanying Schedule of Expenditures of Federal Awards represent federal reimbursements for meals provided during fiscal 2022. Contributions of noncash assistance commodities under the Food Distribution program are received under a State distribution formula and are valued at federally published wholesale prices for purposes of this schedule.

V. SUBRECIPIENTS

The Town of Bellingham, Massachusetts passed no federal awards through to sub-recipients during the period under audit.

VI. DISASTER GRANTS

Disaster Grants have been recorded in the year the grant was approved, except for grant expenditures related to the Coronavirus Pandemic.

Department of Education
Massachusetts Department of Elementary and Secondary Education

Noncompliance and Significant Deficiency Related to Internal Control over Compliance of the Major Programs

Criteria: Grantees must provide reasonable assurance that federal awards are expended only for allowable activities and that the costs of goods and services charged to federal awards are allowable and in accordance with the applicable cost principles. Management of the Town is also responsible for establishing and maintaining effective internal control over compliance with federal requirements that have a direct and material effect on a federal program. A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis.

Condition and Context: Control deficiencies related to disbursements were noted as a result of the testing of internal controls over payroll. Specifically, a sample of payroll disbursements charged to the Accelerated Literacy Learning Grant were tested in order to determine if adequate internal controls were in place. As a result of the testing of payroll disbursements charged to the programs, employees tested were found to not have adequately approved and or documented employee payroll rate agreements.

Cause: The School Department failed to produce copies of documented appointment letters to support pay rates from the appropriate level of management.

Effect or Potential Effect: Due to the weaknesses in internal controls noted above, there is a risk of inappropriate rate of pay and/or wages being paid.

Identification as a Repeat Finding: N/A

Questioned Costs: Questioned costs could not be determined.

Recommendation: The Town should improve internal controls over Activities Allowed/Allowable Costs by ensuring employee’s payroll rate agreements are approved by an appropriate level of management and in a timely manner.

Managements Response: School management will ensure that documented appointment letters from management will support payments.

Finding 2022-002 – COVID 19 – Coronavirus State and Local Fiscal Recovery Fund - AL No. 21.027

U.S. Department of Treasury

Norfolk County

Noncompliance and Material Weakness in Internal Control over Compliance of the Major Programs

Condition: Upon review of the Town of Bellingham's report filed with the U.S. Department of Treasury and Norfolk County it was noted that the reports did not agree with the Town's accounting ledgers.

Criteria: Per the U.S. Department of Treasury the Town was required to submit an accurate annual Recovery Plan Performance Report. Additionally, the Town was required to submit quarterly performance reports to Norfolk County.

Context: The annual report submitted to the U.S. Department of Treasury indicated that the Town had no expenditures which was incorrect. The quarterly report submitted to Norfolk County for the time period of April 1, 2022 through June 30, 2022 did not agree to the accounting ledgers.

Effect: The Town of Bellingham was not in compliance with the U.S. Department of Treasury and Norfolk County reporting requirements.

Questioned Costs: N/A

Cause: During this time period, the Grant Administrator compiled manually created records to support the reporting requirement. Those manual records were not properly reconciled with the General Ledger reports prior to submission to the required agencies.

Identification as a Repeat Finding: Yes, 2021-002

Recommendation: The Town of Bellingham should complete and submit all required quarterly reporting by the due date designated by either the Federal Agency or pass through entity and ensure that it agrees with grant activity for time period reported.

Managements Response: The Town has trained the Grants Administrator on procedures to reconcile General Ledger reports with manually created project-based records. The Town is also implementing a procedure whereby the CFO signs each required report before submitting.

Department of Education

Massachusetts Department of Elementary and Secondary Education

Noncompliance and Significant Deficiency Related to Internal Control over Compliance of the Major Programs

Condition: During our test of controls over compliance it was noted that payroll for an English Language Learning Teacher was charged to the Education Stabilization ESSER II major program grant, however was not included as part of the original or amended grant applications.

Criteria: Costs charged to the Education Stabilization ESSER II major program should meet the requirements as set forth by Uniform Guidance 2 CFR Part 200, subpart E (Cost Principles).

Context: During our review of payroll transactions posted to the Education Stabilization ESSER II major program it was noted that an English Language Learning Teacher was charged to the Education Stabilization ESSER II major program grant and was not included as part of the original or amended grant applications.

Effect: Town of Bellingham was not in compliance with the allowable costs/ cost principals requirement as set forth by the Uniform Guidance 2 CFR Part 200, subpart E (Cost Principles).

Questioned Costs: Could not be determined.

Cause: Amendments to the grant were not posted at the time of the change.

Identification as a Repeat Finding: N/A

Recommendation: We recommend the Town of Bellingham follow procedures to ensure that expenditures charged to the grants are allowable costs as set forth by Uniform Guidance 2 CFR Part 200, subpart E (Cost Principles)

Managements Response: Management will ensure that all amendments are processed at the time of occurrence.

Other Matters Related to Internal Control over Compliance of the Major Programs

Criteria: Where employees work solely or partially on a single Federal program or cost objective, their salaries or wages must be supported by periodic certification that the employee worked on these programs for the period covered by the programs. The certifications should be prepared at least semi-annually, and should be signed by the employee or supervisory official having first-hand knowledge of the work performed by the employee.

Condition: During our test of controls over compliance with time and effort certifications the Town was not able to provide evidence that the required certifications of time and effort for one of the employees whose time was spent either completely or partially spent on these programs was performed as required by Uniform Guidance.

Questioned Costs: Unknown

Context: During our test of payroll transactions of the Education Stabilization ESSER II grant it was noted that the time and effort certification for one of the employees tested was not completed.

Effect: The Town was not in compliance with the time and effort certification requirements.

Cause: Time and Effort Certifications were issued semi-annually to all staff paid by federal grants. In some instances, staff were on leave or resigned and were not available for signature.

Identification as a Repeat Finding: N/A

Recommendation: We recommend the Town of Bellingham follow procedures to ensure that semi-annual certifications and/or monthly certifications are prepared and signed by either the employees and/or supervisory official having first-hand knowledge of the work performed by the employees in a timely manner in order to comply with the time and effort certification requirement.

Management Response: Management is developing improved processes to ensure that all work is acknowledged at the time of completion by the employee. Documentation will be maintained by the school Business Manager.

Massachusetts Executive Office of Administration and Finance

Noncompliance and Material Weakness in Internal Control over Compliance of the Major Program

Condition: Upon review of the Town of Bellingham's quarterly reports it was noted that the quarterly reports for the quarters ending 12/31/20, 3/31/21 & 6/30/21 were not submitted to Massachusetts Executive Office of Administration and Finance.

Criteria: Per the Massachusetts Executive Office of Administration and Finance sub-recipients receiving Covid Relief funds are required to report the Coronavirus Relief Fund supported spending on a quarterly basis.

Context: The Town was required to submit 4 quarterly reports during FY 2021 for the quarters ending 6/30/20, 9/30/20, 12/31/21 & 3/31/21, of these four only two were submitted, and additionally the quarter ending 6/30/21 was also not submitted in FY 22.

Effect: The Town of Bellingham was not in compliance with the Covid Relief Fund reporting requirement.

Questioned Costs: N/A

Cause: Due to staffing challenges, the reporting deadlines were not met in a timely manner.

Recommendation: The Town of Bellingham should complete and submit all required quarterly reporting by the due date designated by either the Federal Agency or pass through entity.

Managements Response: The Town has hired a Grants Manager responsible for all reporting requirements. Additionally, the Town has implemented a monthly project status process where all reporting deadlines are reviewed and confirmed with the Grants Manager.

Status of Prior Year Finding: Resolved

Finding 2021-002 – COVID 19 – Coronavirus Relief Fund - CFDA No. 21.019

U.S. Department of Treasury

Massachusetts Executive Office of Administration and Finance

Noncompliance and Material Weakness in Internal Control over Compliance of the Major Program

Condition: Upon review of the Town of Bellingham’s quarterly reports for the quarters ending 6/30/20 and 9/30/20 submitted in FY 21 there are expenses per the quarterly reports that do not agree to the accounting ledger. In the case of the report ending 9/30/20, there are expenditures that were previously reported on the quarter end 6/30/20 report.

Criteria: Per the Massachusetts Executive Office of Administration and Finance sub-recipients receiving Covid Relief funds are required to report the Coronavirus Relief Fund supported spending on a quarterly basis.

Context: The Town was required to submit quarterly reports that would report the Coronavirus Relief Fund spent during each quarter.

Effect: The Town of Bellingham was not in compliance with the Covid Relief Fund reporting requirement.

Questioned Costs: N/A

Cause: Due to staffing challenges, the unexpected volume of activity, and the continuously evolving grant reporting requirements, the reconciliation and reclassification was not completed in a timely manner.

Recommendation: The Town of Bellingham should reconcile any required quarterly financial reporting to the accounting ledgers to ensure accuracy and completeness.

Managements Response: The Town has hired a Grants Manager responsible for all reporting requirements. Additionally, the Town has implemented a monthly project status process where all reporting deadlines are reviewed and confirmed with the Grants Manager. Additionally, the finance office has implemented new accounting protocols to track revenues and expenditures by project and reconcile those projects in a more timely manner.

Status of Prior Year Finding: Repeat finding 2022-02
