OFFICE OF THE

## *Fire Prevention Division*

[FirePrevention@bellinghamma.org](mailto:FirePrevention@bellinghamma.org)

### **Instructions for Flammable/Combustible Permits**

- Email MSDS Sheets in PDF format to [FirePrevention@bellinghamma.org](mailto:FirePrevention@bellinghamma.org)
- Supply a content page in the following format:

MSDS #	MANUFACTURER NAME	PRODUCT NAME	QUANTITY IN GALLONS	CLASS
1	Klean Strip	Paint Thinner	10	IIIB
2	Old World Industries, Inc.	Peak – 25 Wash	5	IA
CLASSIFICATION			TOTALS (Gallons)	
Combustible Liquids Class II				
Combustible Liquids Class IIIA				
Combustible Liquids Class IIIB				
Flammable Liquids Class IA				
Flammable Liquids Class IB				
Flammable Liquids Class IC				

- The contents page should be one PDF file.
- Following the contents page should be each MSDS sheet starting at number 1. Each MSDS sheet shall be its own PDF file.
- Flammables/Combustibles shall be stored in an approved Cabinet/room only.
- The quantities should be figured to the maximum you would ever have on hand. At no point should you ever go over your limits.
- After emailing the MSDS and content list, bring \$ 35.00 for the fee, and the permit will be processed.
- An inspection of storage will be done prior to the permit being issued.
- **Permit is to be renewed on an annual basis and it is the permit holder's responsibility to apply and comply prior to the expiration of permit.**

Any questions, contact the fire department at 508-966-1112.
