

Bellingham Public Library

Home Delivery for Patrons Living in Bellingham

Library materials delivered to your doorstep!

The Bellingham Public Library offers a delivery option to provide materials for Bellingham residents who are unable to visit the library.

Who is eligible for this program?

Bellingham residents, with a Bellingham address, who are unable to travel to the library, may register for this service. This includes individuals who may have permanent or temporary disabilities or health problems, residents who do not have access to transportation, and patrons who have been temporarily confined to their homes.

Who will deliver the library materials?

The materials will be delivered by library staff or volunteers.

What type of materials can I borrow?

All circulating library materials, including books, magazines, audiobooks, DVDs, music CDs, etc., will be delivered to your home for a 3-6 week loan period. Materials will be delivered and retrieved on the same day. We can select items for you by title or author, or, if you prefer, library staff will select a variety of materials based on your interest and preferences. Or if you have online access to the library catalog, you can select your own materials.

How can I register for this service?

To get started you need to complete a Home Delivery Patron Registration form and provide your library card number. If you do not have a valid Bellingham Library Card, you will also need to complete a Library Card Registration Form as well as the Home Delivery Registration Form. Registration forms are available at the library and on the library's website. Simply complete the required form(s) and we will take care of the rest! For additional information, or to schedule a delivery, please contact the library at 508-966-1660, library@bellingshamlibrary.org.

When can I expect delivery to my home?

Once your registration forms have been received by the library, you will be contacted to set up the delivery schedule.

Bellingham Public Library
