- Your look is a reflection to your commitment to excellence.
- Dress for the position you want – even after you’ve been hired.
- Don’t get lazy!  
Iron, Buff out scuffs, Color re-growth, manscape, etc
- Consider  
Whitening your teeth, have your outfit tailored for perfect fit, women:  
wear professional length skirt & makeup!
- Master your non-verbal communication skills

The way you look and dress announces the outcome others can expect from you. It defines who you are not only to others, but to the person in the mirror. Your attire says, **“I’m serious about who I am and what I do.”**
