GENERAL BUSINESS:
300 Hartford Ave. – Minor Modification:
The members are in receipt of an email from Mr. Ross Smith asking if outside storage for
RV/Boat’s on gravel area within the security fence would be permissible under the approved
plan for the storage complex.

The applicant indicated that there would not be any RV/Boats outside storage allowed for those
which are not registered, and no passenger cars or trucks will be allowed. The parking is
proposed to be along the gas easement.

Upon review the Board would like the applicant to come in with a schematic design and plan.

Lincoln Properties – Minor Modification:
The Board reviewed the proposal for a minor modification of the retaining walls for Lincoln
Business Park. The VHB/ARCO plan dated November 22, 2019 showed the following: 1.5:1
Rock Slope Exhibit, Infiltration System Elevations, Road Slope Exhibit, Development Disturbed
Areas, Retaining Wall Exhibit, and Current Civil Plans. Upon review of the plan, the Board
voted to allow the applicant to modify the plan to adjust the retaining wall slope as well as
modify the approved foundation grade as shown on the plan provided titled Proposed Retaining
Wall and Grading Design plan by VHB received December 11, 2019.

On a motion made by Brian Salisbury and seconded by Dennis Trebino, the Board voted
unanimously to approve the minor modification from 160 Mechanic Street as presented
and reviewed.

OVERVIEW OF HOUSING PRODUCTION PLAN:
Town Planner, Jim Kupfer provided the members with the draft Housing Production Plan. The
document was prepared by Community Opportunities Group, Inc. This document includes the
following information: needs assessment, demographic profile, economic and employment
profile, housing inventory, affordability. It also contains information on Housing Development
framework and challenges. The existing housing resources were included. The last section was
the housing needs and goals along with implementation strategies. The town is going to need to
facilitate and encourage the creation and preservation of affordable housing units throughout the

- 2 -
Town of Bellingham to ensure that the proportion of subsidized housing units reaches and remains over 10% into the next decade. The current SHI is just under 8.7%. The Town should be focusing on having a development of a larger scale multifamily development to allow the town to reach its 10% quicker. There was discussion about having redevelopment or conversion of existing town-privately owned properties such as Housing Authority site at Center Street or the Varney site on Lake Street which may yield over 100 units each which could ensure safe harbor. The rate of production of inclusionary or LIP units may increase if the Town also adopts zoning amendments to incentivize senior rental development at the New England Country Club or to allow infill development or multifamily conversions with an affordability requirement.

On a motion made by Brian Salisbury, and seconded by Dennis Trebino, the Board voted to adopt the Town of Bellingham Housing Productive Plan as presented.

Vote: 5-0 Carried. (WFO, BTS, DJT, REL, PMD)

ADJOURN:
On a motion made by Brian Salisbury, and seconded by Dennis Trebino, the Board voted to adjourn the meeting at 7:55 pm.

Discussion: None.

Vote: 5-0 Carried. (WFO, BTS, DJT, REL, PMD)

Meeting Adjourned at 7:55 p.m.

Respectfully Submitted,

Amy Sutherland
