Bulk Item Pickup

Trash customers are allowed one bulk item per week. Place the bulk item next to the trash toter on the day of your scheduled pickup. Heavy items will be left behind; the resident is responsible for breaking it down to manageable pieces for disposal. Do not place item at curb if raining or snowing. If the item becomes water laden, it will not be picked up, and responsibility for disposal will be on the resident. Objects that are not picked up should be removed from the curb, out of the public travel way, by the end of the day.

Bulk items include:

- Mattress or box spring (one per week)
- Garden Hose (hose only, no plastic dispenser, curl & bind)
- Porcelain tubs, toilets, sinks
- Wooden Furniture – Desk, tables, bureaus – must be broken down
- Carpet – Must be cut & rolled - three rolls per week ONLY, 3 feet rolls, no more than 45 lbs per roll
- Sofa - remove the metal frame from sleep sofa. Bring frame to the Town Recycling Center or call for White Goods pickup

Bulk items do not include any metal objects. Call E.L. Harvey to schedule a pickup.
