Street Light Repairs

If your electric company is National Grid:

Call 800-322-3223 which is available 24-7. The first prompts are “report a power outage”, but after that the system will ask if it's a streetlight outage. Please provide the information requested and a work order will be generated and the light repaired.

If your electric company is Eversource:

- If you can get on line go to this link [https://www.eversource.com/nstar/CustomerCare/residential/StreetLight/StreetLight](https://www.eversource.com/nstar/CustomerCare/residential/StreetLight/StreetLight) and complete the on line form.
- If you can’t get on line, call the DPW 508-966-5813 during regular working hours (M-F 7 AM to 3:30 PM) and we will get on line and enter the information for you.

If you are not sure which electric company owns the light, call the DPW 508-966-5813 during regular working hours (M-F 7 AM to 3:30 PM) and we will assist you.
