ARTICLE I ADMINISTRATION AND PROCEDURE

1100. Purpose - The purpose of this Bylaw is to promote the health, safety, convenience, morals and welfare of the Town of Bellingham as authorized by the General Laws of the Commonwealth of Massachusetts, Chapter 40A, and any amendments thereof.

1200. Administration

1210. This Bylaw shall be administered by the Selectmen through the Zoning Agent appointed by them. No building shall be erected or externally altered, and no use of land or a building shall be begun or changed without a permit having been issued by the Zoning Agent. No premises shall be equipped or used without an occupancy permit signed by the Zoning Agent. No such permits shall be issued for construction or use in violation of any provision of this Bylaw. Permits shall become invalid two years from date of issue.

1220. Applications for zoning permits shall be accompanied by two prints of a plan of the lot, drawn to scale, showing the actual dimensions of the lot and the exact location and size of any existing or proposed buildings, and showing streets and ways adjacent to the lot.

1230. The Zoning Agent may institute appropriate legal proceedings to enforce the provisions of this Bylaw or to restrain by injunction any violation thereof, or both; and shall institute and take any and all such action as may be necessary to enforce full compliance with any and all of the provisions of this Bylaw.

1240. Any person violating any of the provisions of this Bylaw may be fined not more than \$50 for each offense. Each day that such violation continues shall constitute a separate offense.

1300. Board of Appeals

1310. The Board of Appeals shall consist of five members and three associate members, who shall be appointed and act in all matters under this Bylaw in the manner prescribed by Chapter 40A of the General Laws as amended.

1320. The Board of Appeals shall have and exercise all the powers granted to it by said Chapter 40A and this Bylaw. Those powers comprise:

1321. Appeals - To hear and decide appeals taken by any person aggrieved by reason of his inability to obtain a permit from any administrative official under the provisions of Chapter 40A, General Laws, or by any officer or board of the Town, or by any person aggrieved by any order or decision of the Building Inspector or other administrative official in violation of any provision of Chapter 40A, General Laws, or by this Bylaw.

1322. Special Permits - To hear and decide applications for special permits for exceptions as provided in this Bylaw, subject to any general or specific rules therein contained, and subject to appropriate conditions or safeguards imposed by the Board.

1323. Variances - To authorize upon appeal, or upon petition in cases where a particular use is sought for which no permit is required, with respect to a particular parcel of land or to an existing building thereon a variance from the terms of this Bylaw where, owing to conditions specially affecting such parcel or such building but not affecting generally the zoning district in which it is located, a literal enforcement of the provisions of this Bylaw would involve substantial hardship, financial or otherwise, to the appellant, and where desirable relief may be granted without substantial detriment to the public good and without nullifying or substantially derogating from the intent or purpose of this Bylaw, but not otherwise.

1330. Repetitive petitions for exceptions, appeals and petitions for variances, and applications to the Board of Appeals shall be limited as provided in Section 20 of Chapter 40A, G.L.

1340. Application for Special Permits or Variances shall be accompanied by a plot plan drawn to scale, showing existing and proposed structures, and other relevant conditions.

1400. Amendments - This Bylaw may from time to time be changed by amendment, addition or repeal by the town meeting in the manner provided in Sections six and seven, and repetitive proposals for amendment shall be governed by Section eight of Chapter 40A of the General Laws, and any amendments therein.

1500. Validity - The invalidity of any section or provision of this Bylaw shall not invalidate any other section or provision thereof.

1600. Applicability - Where the application of this Bylaw imposes greater restrictions than those imposed by any other regulations, permits, restrictions, easements, covenants or agreements, the provisions of this Bylaw shall control.

1700. Effective Date - This Bylaw shall take effect when, following adoption by the Town, it is approved by the Attorney General of the Commonwealth of Massachusetts, and is published or posted, as provided by law. Upon its effective date, it shall supersede the Zoning Bylaw and all amendments to it previously in effect.
